JLT TEMPEST RALLY

Saturday 8th November 2014

EVENT GUIDE

WELCOME TO THE JLT TEMPEST RALLY

We are delighted to welcome competitors, crews, service personnel, guests, spectators and the media for The 2014 JLT Tempest Rally. It gives us great pleasure to also welcome JLT once again as title sponsors, a significant recognition of the effort of everyone involved in the running of one of the South's most popular rally events. Literally on the doorstep of London, The Tempest really does bring 'rallying to the chimney pots' with some stages less than a mile from the neighbouring towns of Aldershot, Farnborough and Farnham. And, if the weather is suitable, Canary Wharf is even visible from one of the stages!

Rushmoor Arena in Aldershot provides the heart of the rally with 4 live action stages, trade displays and catering, right alongside the Pegasus Village Service Area. Rally Headquarters is based within the Service Park in the Utting Estates JLT Tempest Marquee and will play host to the pre-event Scrutineering and Documentation on Friday afternoon / early Saturday morning and the Rally HQ, Media Office and Results during the event. It is also open to the public as a meeting place and information centre.

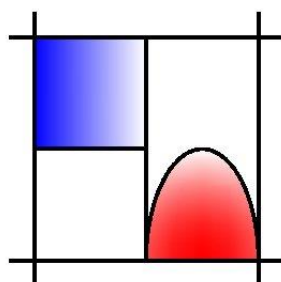

The Rally is once again divided into 2 separate events: Tempest 2 for 2 wheel-drive vehicles and Tempest 4 for 4 wheel-drive vehicles. Whilst running over the same stage and road routes, the events start competitively in 2 separate locations (Tempest 2 at Rushmoor Arena and Tempest 4 at Ash Ranges) before following each other at varying intervals apart.

The events are both final rounds of various rally championships including the MSA English Championship and The REIS Insurance ASWMC.

In amongst the Tempest 4 entry you will note event sponsor John Lloyd along with business partner Andrew Barnes whilst amongst the 2 wheeldrive contingent there are a number of former winners.

We anticipate around 70 crews will take part from throughout the UK including a couple of well-known Champions as well as some of the best clubmen in the UK. Those who have been to the previous events will know that while we do not have the classic stages of Scotland and Wales, we do have the most varied. If visiting the rally we urge you to utilise the Car Parks as not only do they reduce congestion but also help protect against the very real potential of theft and vandalism.

Please enjoy your participation this weekend in whatever role you represent and please visit www.tempestrally.com for the most up-to-date results, reports and information which is also available on Face Book and Twitter.
